# HOW TO USE AND CARE FOR YOUR VIDEOART™\* ACTIVITY CARTRIDGE™\*

## USING YOUR ACTIVITY CARTRIDGE:

1. Be sure that the "Power On" indicator is off before plugging the cartridge in the VideoArt.
2. Plug in the cartridge label side up (see drawing).
3. Press the power button so that the red "Power On" indicator light is on.
4. The title "page" of the

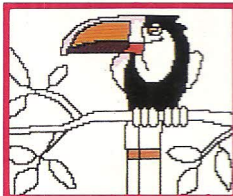

cartridge will appear on the screen for 20 or so seconds or until you press both clear buttons at the same time.

## CARING FOR YOUR ACTIVITY CARTRIDGE — Precautions:

1. This is high precision electronic software. It should not be stored in a place that is very hot or cold. Never hit it or drop it. Do not take it apart and never force it into the VideoArt unit.
2. Avoid touching the connectors, do not get them wet or dirty. Doing so may damage the cartridge.
3. Do not clean with benzene, paint thinner, alcohol or other such solvents.

## WHAT YOU WILL SEE . . .

After the title page of your VideoArt cartridge you will see the first page and you can immediately start to color.

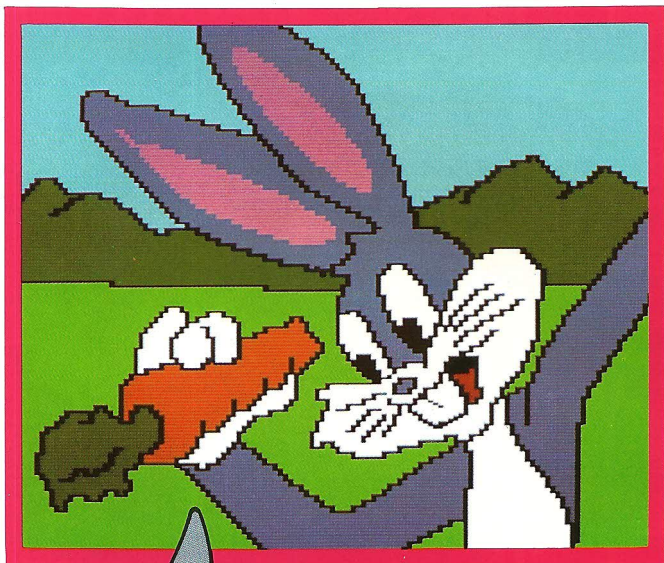

When the page you would like to color appears on the screen, use your color selector to either pick a color you want to use or to change the background color of the drawing. As you draw, the

picture fills in, like the pictures you see above. When you are finished you can either turn the page to start a new drawing or save your artwork by recording it on video tape!

## **Bugs Bunny™**

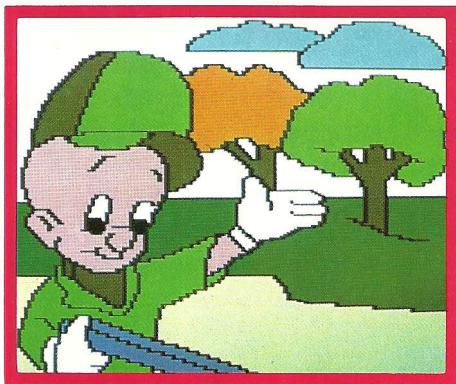

Ahh, What's up Doc?™ Bugs Bunny here. Welcome to the land of the Looney Tunes™ characters. It's my pleasure to be your master of ceremonies and I'm really looking forward to introducing you to some of my friends. I'm sure you'll like them and as you continue to color and get to know them, I bet you'll like them even more.

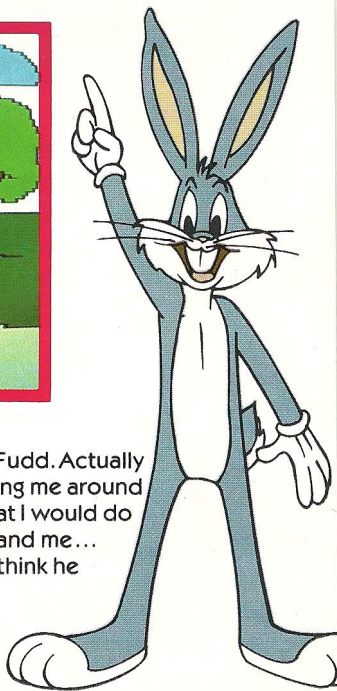

## Daffy Duck™

First in line is Daffy Duck. He's a very likable sort of guy and perhaps one of the world's greatest actors... but if you don't believe me, just ask him, he'll tell you himself — over and over again.

## Elmer Fudd™

Well look here, it's my old buddy Elmer Fudd. Actually we're not buddies, but he's been chasing me around for so many years that I don't know what I would do if he wasn't around. Just between you and me... Elmer Fudd's not a bad guy, I just don't think he understands rabbits.

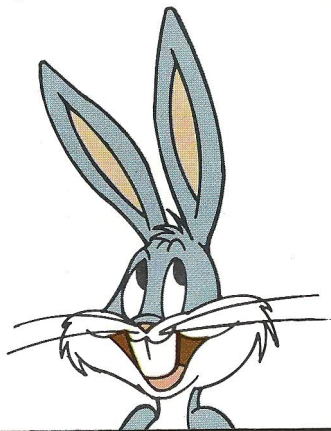

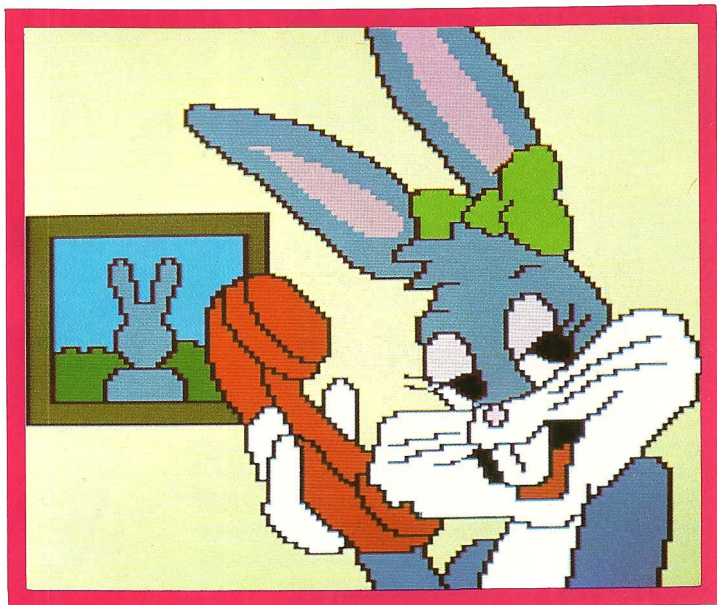

## Pepe Le Pew™

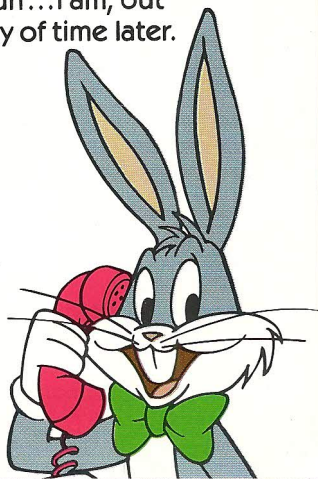

Quick, let's sneak by Pepe Le Pew before he sees us and asks us to stop and talk for a while. Oh, don't get me wrong, I like Pepe Le Pew, it's just that lover boy smells a bit like a skunk (which he is) and that's just a bit too stinky for a rabbit's sensitive nose.

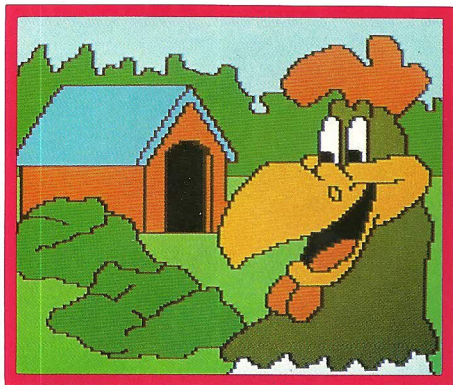

## Honey Bunny™

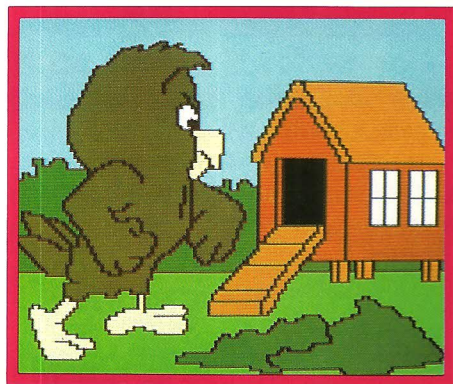

Oh come on Honey Bunny...listen to my side of the story...I have to finish coloring with these kids first...then we can go out dancing. What? Yes, I know it sounds like I'm having fun...I am, but that's my job! There will still be plenty of time later. Don't be mad.

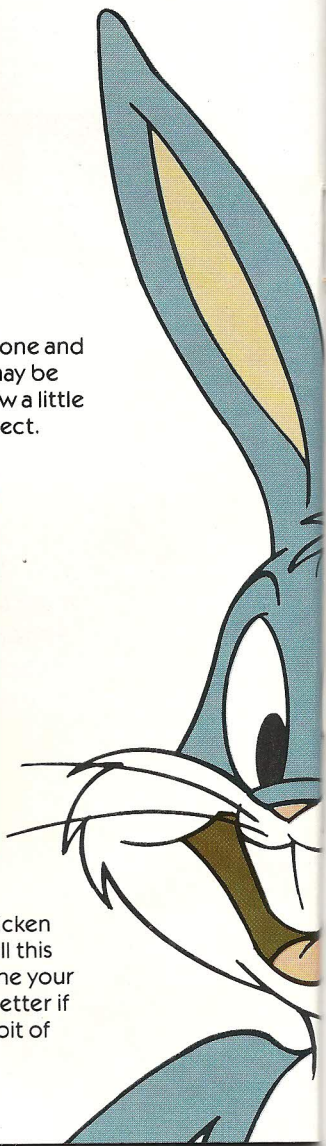

## Foghorn Leghorn™

Well, well...if it isn't ol' Foghorn Leghorn, the one and only big man around the chicken coop. He may be an idol in the eyes of all those hens, but I know a little chicken hawk who doesn't give him any respect.

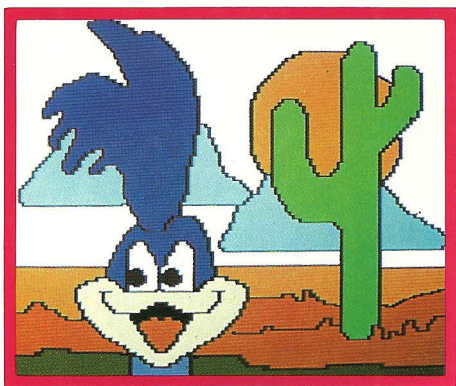

## Henery Hawk™

And here he is now, little Henery Hawk, a chicken hawk without a chicken. Someone should tell this little fellow that it's better to pick on someone your own size. On the other hand, it's probably better if he learns this lesson himself...maybe with a bit of help from Foghorn Leghorn.

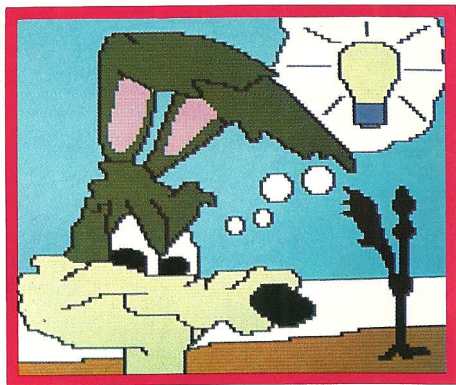

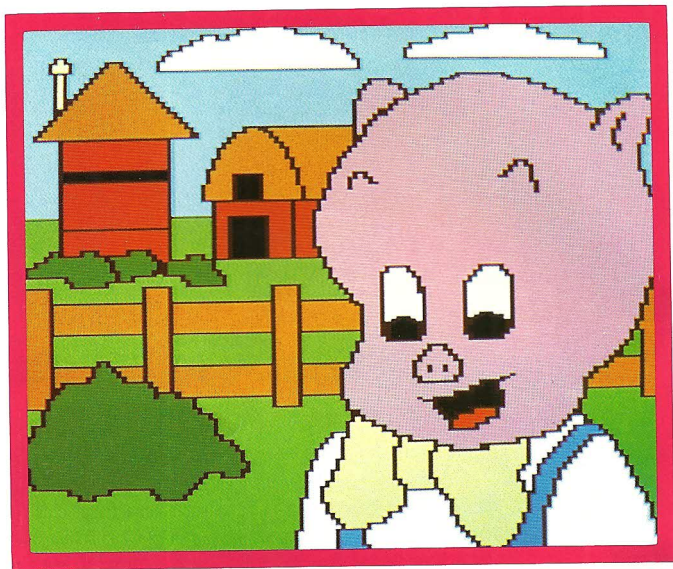

## Road Runner™ and Wile E. Coyote™

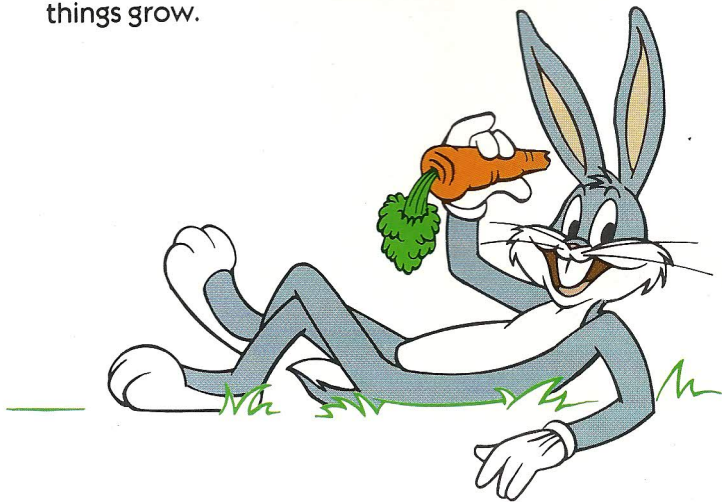

Here's an interesting couple that can't live with each other and can't live without each other. Wile E. Coyote has been trying to catch Road Runner for so long now that everyone knows that he never will... well, everyone but Wile E. Coyote himself. He's such a stubborn guy that he'll never give up. It's not that he's not smart enough, it's just that he's not fast enough or lucky enough. It's just not meant to be.

## **Porky Pig™**

Meanwhile back at the ranch...Porky Pig is keeping an eye on things. He's just a good old country boy who enjoys fresh air and really knows how to make things grow.

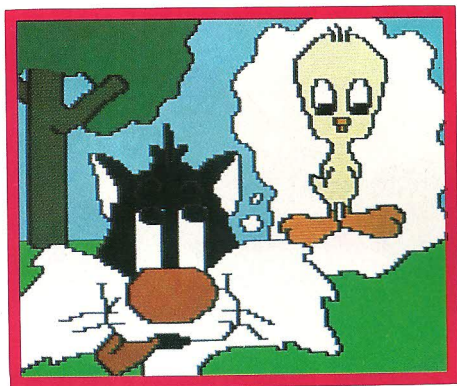

## **Speedy Gonzales™**

Speedy Gonzales is no ordinary mouse...he's a hero among mice, someone other mice look up to and worship. Far be it from me to say that he doesn't deserve his fame, after all, he is a very brave and noble guy. Someone you can always count on when you need some help avoiding a hungry cat or rustling up a chunk of cheese.

### **Tasmanian Devil™**

Here comes the Tasmanian Devil. Talk about characters with bad habits and big appetites ... this guy really takes the cake. He's a pretty dangerous guy though, and I have to watch my step around him. Lucky for me he's kind of stupid and easy to fool.

## Sylvester™

As Tweety™ would say, "I tawt I taw a puddy tat!™ I did! I did!"...and his name is Sylvester. As usual, he's got food on his mind and that food is in the form of one cute little Tweety. Ssssufferin' Ssssuccotash,™ Sylvester is so set on succeeding in his quest for a Tweety supper that he doesn't see that the little guy somehow always stays out of reach.

## Yosemite Sam™

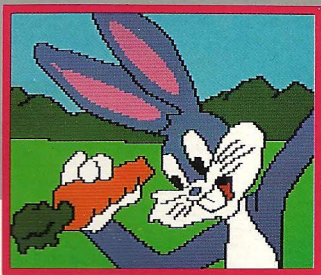

Grumpy old Yosemite Sam thinks he's pretty tough, but I know that he's just a good 'ole boy doing what comes natural. He'll never get the best of me, but he does manage to keep me on my toes. I wonder what life would be like without folks like Yosemite Sam around to give me grief. Oh well, why even think about it. As long as he thinks that there's a varmint runnin' free, he'll be around.

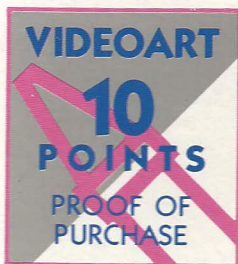

I hope you enjoyed meeting  
my buddies and I also hope  
you enjoy coloring us over  
and over again. It has been  
fun for me and I'll see you  
again soon...and in the  
words of my friend Porky...  
"That's All Folks!"™

# LOONEY TUNES™
